

Circular No.: NSDL/POLICY/2024/0018

February 12, 2024

Subject: Standardization of File Formats.

Attention of Participants is invited to NSDL Circular no. NSDL/POLICY/2023/178 dated December 21, 2023 regarding Standardization of file formats wherein the list of fields, standard values and ISO tags defined, along with the corresponding sample files in respect of "Statement of Transaction" and "Statement of Holding".

Further, Participants were also informed that the new standardized file formats shall be published and implemented in a phased manner. In this regard, as part of the third phase, the file format for "**Statement of Transaction**" and "**Statement of Holding**" are enclosed at **Annexure**. The aforementioned file formats have been implemented from EOD of **February 9, 2024**.

The annexure contains the original field names along with the corresponding ISO tags and the standardized data types and data lengths. As this format is common across both the depositories, some fields may not be applicable for NSDL currently. However, these fields may be used in future on the need basis.

The other new standardized file formats will be shared separately. As Participants are aware, dates for the implementation of other standardized file formats are informed to Participants vide NSDL Circular no. NSDL/POLICY/2023/178 dated December 21, 2023.

Further, the existing file formats shall continue to be available in parallel along with the new standardized file formats for a defined period. Thereafter, the existing file formats shall be discontinued after March 31, 2024 as informed earlier to Participants and only new file formats will be applicable.

All Participants are advised to note the aforesaid points and make necessary changes in their back-office system.
