Annexure –IV

A. Ongoing and/or outstanding material litigation and regulatory strictures, if any.

Litigations involving the Company

Regulatory Proceedings

- The Competition Commission of India (“CCI”) vide its order dated October 5, 2017, held that the Company, Aditya Birla Chemical (India) Limited (which has subsequently merged into our Company), and Gujarat Alkalies and Chemicals Limited were involved in bid-rigging in relation to a tender floated by Delhi Jal Board and imposed a penalty of ₹ 23 million, ₹ 20.9 million respectively. The Company had filed an appeal before the National Company Law Appellate Tribunal (“NCLAT”) and the NCLAT vide its order dated December 5th 2017 subject to Company depositing 10% of the penalty amount. The Company complied with the order dated December 5th 2017. The matter is scheduled for the final hearing.
- Under anonymous information filed in 2011 against the Company and other manufacturers of man-made fibres, the CCI directed the Director General (“DG”) to investigate the alleged contravention of section 3 of the Competition Act, 2002 prohibits anti-competitive agreements. Although the DG did not find a contravention of section 3, Subsequently, the DG independently and without any CCI direction investigated and found the Company to be in contravention of section 4 of the Competition Act, which prohibits an enterprise from abusing its dominant position in the market. The Company filed an application before the CCI to set aside the findings of the DG, which was dismissed. Thereafter, the Company approached the Delhi High Court by way of a writ petition to set aside the order of the CCI. The Single Judge, holding that the DG acted ultra vires his powers, disposed of the writ. Consequently, the CCI preferred an Appeal, which was allowed by a Division Bench. The Company filed an appeal before the Supreme Court challenging the order of the Division Bench. The Supreme Court directed CCI that no coercive steps be taken against Company till the disposal of the matter in the Supreme Court. Meanwhile, the Company filed Response to DG Report under protest and hearing before the CCI also concluded. CCI informed that CCI shall keep the final order in a sealed envelope to await the outcome of the proceedings before the Hon’ble Supreme Court.
- The CCI, by its Order dated March 16, 2020, imposed a penalty of ₹ 301.61 crore (“Order”) for alleged abuse of dominance by the Company regarding its domestic man-made fibre turnover. Textile Consumer Foundation filed

an appeal before the NCLAT for enhancement of the penalty imposed on the Company. The Company filed an appeal before the NCLAT. The NCLAT, vide Order dated November 04, 2020, stayed the recovery of the penalty amount during the pendency of the Appeal and directed the Company to deposit 10% of the penalty amount by November 19, 2020, which was complied. Further, CCI passed Order under Section 42 of the Competition Act, 2002, levying a penalty of Rs. 3.49 crores, at a rate of Rs. one lakh per day for 349 days and continuing thereafter for non-compliance with the Order passed under Section 27 of the Act on March 16, 2020. The Company filed Writ Petition before the Hon'ble Delhi High Court against the Order of the CCI; wherein the Additional Solicitor General of India submitted that keeping in view pending stay applications before the NCLAT, the CCI will not take any precipitative steps till the next date. The matter is now pending for hearing before the Hon'ble NCLAT and the Hon'ble Delhi High Court.

4. Pursuant to information by three informants in late 2017, the CCI passed a prima facie order, directing the DG to investigate alleged abuse of dominance by the Company, considering Viscose Stable Fibre ("VSF") as the relevant market. Upon investigation, the DG's issued the report alleging the use of discriminatory pricing and discounts by the Company. The Company filed a response against the DG report and CCI held that GIL had abused its dominant position in the relevant market of 'the market for the supply of VSF to spinners in India' by charging discriminatory prices to its customers, denying market access, and imposing supplementary obligations upon its customers in violation of the provisions of the Act and directed the Company to cease and desist from indulging in such practices. However, because of the penalty of Rs. 301.61 crore has already been imposed on the Company in previous Order the CCI deemed it appropriate not to impose any further monetary penalty on the Company. The Company has filed an appeal before the Hon'ble NCLAT. The matter is pending for hearing.
